Dear Mr. Ueberroth:

As a Ventura County Supervisor I consult many professionals in the pursuit of improving the quality of life for my constituency.

One of the people I have had the pleasure of doing business with is Daniel Voss, Jr. I can depend on Dan to follow through on his commitments and turn to him if I need expert information on any construction issue. I have known his family for over twenty years and the development projects they have built are truly an asset to our community.

I understand that Dan is now living and running a business in Los Angeles as well as considering undertaking responsibilities in the rebuilding of the area. I feel Dan could be a valuable part of the effort to get south-central LA back on it's feet.

Sincerely,

JOHN K. FLYNN
Chairman, Board of Supervisors
